Students registered with the Centre for Accessible Learning (CAL) who complete quizzes, tests, and exams with academic accommodations have booking procedures and deadlines with CAL where advanced noticed is required. Deadlines can be reviewed on the [CAL exams page](http://camosun.ca/services/accessible-learning/exams.html). <http://camosun.ca/services/accessible-learning/exams.html>

EVALUATION OF LEARNING

DESCRIPTION	WEIGHTING
Labs (up to 10 experiments)	20%
Test I (Chapters 1-3; Week III Thursday Lab period on May 19)	20%
Test II (Chapters 4-6; Week V Thursday Lab period on June 2)	20%
Final Exam (comprehensive)	40%
TOTAL	100%

If you have a concern about a grade you have received for an evaluation, please come and see me as soon as possible. Refer to the [Grade Review and Appeals](#) policy for more information.

<http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.14.pdf>

* Test dates to be confirmed during the first week of classes in May.

Notes:

1. Student must pass the lab portion of the course to obtain credit for Chem 070 (i.e. you fail the course when you fail the lab component). Your lab faculty will go over the lab component of Chem 070 and lab evaluation with you...
2. Students are required to regularly check D2L and their emails (the email address associated with his/her myCamosun profile must be up to date).
3. Student is encouraged to attempt both tests. Test score (including no score) that is not as high as that of the June final exam will be dropped automatically and its weight redistributed to the final exam. However, anyone who is caught cheating will receive zero for that test which will not be redistributed. For anyone who misses both tests, your final exam will then be 80% of the course grade!
4. **Student must write each test during the lab period as scheduled for his/her section. No one will be allowed to write late and there will be no makeup test, no exceptions.**
