### Seminar Assignments

Seminar assignments are short learning activities given each seminar. **Completing any assigned seminar reading is essential preparation for seminar assignments.** Other preparation or follow-up activities may be required to receive full marks. Further details will be communicated as we go.

Seminar assignments will normally be completed in a small group. Students are expected to actively participate in these learning activities and do their share of the work in order to make the most of them.

To account for unpredictable and/or unavoidable absences, each student's lowest seminar assignment mark will be dropped with no questions asked. Any further absence(s) will be excused only if they are medically supported or have prior approval. There are no rewrites, deferrals, or extra credits allowed. In order to receive credit for completing a seminar assignment, a student must also attend the lecture the same day.

## Quizzes

Quizzes will be in class on the days indicated in the chart above. They can be written on an alternative day or an alternative time only in truly exceptional circumstances or with a documented accommodation (see below). If truly exceptional circumstances occur, this should be communicated to me as soon as possible before the quiz.

## Final Exam

The final exam will be an in-person exam during the final exam period. Please avoid making any plans for the final exam period until the college has posted the final exam schedule on Feb. 17, 2023. Final exams can be rescheduled only in truly exceptional circumstances. If such circumstances occur, this should be communicated to me as soon as possible before the exam.

## Ethical Decision Making Framework Assignment

Details regarding this assignment can be found on D2L in the Content area. No assignment will be accepted more than one week after the submission deadline. The penalty for a late assignment is 5%/day, inclusive of weekend days. This penalty may be waived only in truly exceptional circumstances.

If you have a concern about a grade you have received for an evaluation, please come and see me as soon as possible. Refer to the [Grade Review and Appeals](http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.14.pdf) policy for more information.
