CLASS GUIDELINES & EXPECTATIONS

Please arrive at class on time and be prepared to participate in discussions and activities. Seminar is an integral part of the practicum course, assisting in the development of the skill and knowledge required to meet the competencies for the CFCS Diploma. **Attendance and participation in classes is required** and the **content is Mandatory**. Therefore, students are required to contact the instructor in advance if they are unable to attend classes and **there will be a make-up assignment required for any missed seminars**. * **Missing more than three seminars will put you at risk of failing the course.**

To achieve a “satisfactory” rating students must:

- Receive ‘Satisfactory’ ratings in all practicum objectives and learning outcomes, as determined by your instructor
- Attend and participate in weekly seminars **
- Complete all assignments with a “satisfactory” grade.

All assignments are to be submitted via D2L by midnight on designated due dates, following APA 7 guidelines, unless otherwise specified. **Assignments that are more than 1 week late may result in the student being required to discontinue attending their practicum.**

***Missed Class Make-up Assignment (mandatory for any missed seminars):**

If you have missed or been late to a significant portion of a seminar, please have a minimum **10 minute** discussion (in person or on the phone) with **at least 2 students** in your class to learn their perspective of the important aspects of the session missed (both large group and small group) and review any course material provided related to the seminar content. This will also give you the opportunity to offer supportive feedback to them as well (peer support is one intended outcome of seminar small group). Ensure you identify which students you have spoken to. Complete and **submit a 400 – 500 word** paper which describes the key elements of the class, along with your own reflections on the subject and its connection to practice. Please submit this paper on D2L **before the next class**. It is the student’s responsibility to track the dates missed and to follow up with colleagues about content missed in a timely manner.

**** Assessment of class participation includes:**

- Arriving at class on time, and consistent attendance
- Active and respectful listening in class
- Constructive, respectful and relevant sharing
- Active engagement in class activities
- Respectful and considerate behavior toward others (including hiding mobile phones during all classes).
