1. Standard Grading System (GPA)

Percentage	Grade	Description	Grade Point Equivalency
90-100	A+		9
85-89	A		8
80-84	A-		7
77-79	B+		6
73-76	B		5
70-72	B-	PASSING GRADE	4
65-69	C+		3
60-64	C		2
50-59	D		1
0-49	F	Minimum level has not been achieved.	0

B. Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy at <http://www.camosun.bc.ca/policies/E-1.5.pdf> for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress:</i> A temporary grade assigned for courses that are designed to have an anticipated enrollment that extends beyond one term. No more than two IP grades will be assigned for the same course.
CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.

7. Recommended Materials or Services to Assist Students to Succeed Throughout the Course

LEARNING SUPPORT AND SERVICES FOR STUDENTS

There are a variety of services available for students to assist them throughout their learning. This information is available in the College Calendar, Registrar's Office or the College web site at <http://www.camosun.bc.ca>

ACADEMIC CONDUCT POLICY

There is an Academic Conduct Policy. It is the student's responsibility to become familiar with the content of this policy. The policy is available in each School Administration Office, Registration, and on the College web site in the Policy Section.

www.camosun.bc.ca/divisions/pres/policy/2-education/2-5.html

8. COURSE ELEMENTS

1. Understand the skill set of a dental hygienist (beyond technical competence)

- a. Understand and identify sources of professional information that will assist you in your professional decision-making. Learn to critically appraise evidence for validity and usefulness.
- b. Discuss teamwork and collaboration in dental hygiene practice, including the understanding of team roles and conflict resolution.
- c. Understand the elements of communication and the skills necessary for optimal delivery of care.
- d. Examine skills for creating a supportive environment.
- e. Discuss teaching and learning approaches for encouraging compliance.
- f. Discuss the influence of culture on communication.
- g. Learn the elements of proper presentation skills with individuals and groups.

2. Discuss strategies for systematic inquiry to validate or improve dental hygiene services and assess professional and scientific literature relevant to dental hygiene practice

- a. Describe contemporary research topics and various types of professional reports.
- b. Identify various research designs and describe the scientific research process
- c. Discuss use of technology to access information, in consideration of research ethics, copyright guidelines and approval
