5. Course Elements and DHYG 380 Session Outcomes

Session 1: Introduction and Orientation to the Course

Upon completion of this session you need to be able to:

1. Demonstrate the ability to think critically and apply the problem-solving process to dental hygiene decisions.
2. Develop specific and realistic goals using learning plans.
3. Self evaluate problems that are blocking goal achievement,.
4. Plan strategies, considering alternative solutions and their consequences
5. Review research methods in preparation for final project
6. Identify limits of own learning.

Session 2: Major Project Interviews

Upon completion of this session you need to be able to:

1. Discuss plan to complete research
2. Discuss plan for major project including timelines for completion
3. Problem solve challenges with major project

Sessions (see schedule): Case Studies of Clients with Special Needs

Upon completion of this session you need to be able to:

1. Develop appropriate strategies for providing comprehensive care for clients with diverse medication and dental considerations such as oral piercings, sensory impairments, dental prosthesis, sleep apnea, neurological disease, autism spectrum disorder, Down syndrome, cleft palate, gastrointestinal disorders, blood disorders, autoimmune disorders, oral surgical considerations, geriatrics and others
2. Review pathology of diverse medical and dental disorders
3. Analyse strategies to manage advanced periodontal disease for diverse clients
4. Discuss herbal remedies and the impact of oral health

Session 8: Simulation Paperwork

1. Discuss modifications to paperwork needed to transition into private practice
2. Discuss Camosun College protocols for simulation clients

Session 18 : Pacific Dental Conference

1. Demonstrate professionalism as a representative of the program
2. Attend a required course, summarize the information and report in class to peers
3. Attend the exhibit hall for a session to review new products
4. Attend a course of the student's choice

Session 20: Periodontal Dressing, Sutures, Air polishing and Professional Irrigation

Upon completion of this session you need to be able to:

1. Analyze suture materials and techniques
2. Discuss materials and technique for placement of a periodontal dressing
3. Discuss armamentarium used during air polishing
4. Compare and contrast air polishing to convention rubber cup polishing including technique, contraindications and client management
5. Discuss indications for use of professional irrigation, equipment and technique

Session 24: Term Exam

Sessions 25, 27: Private Practice Transition

Upon completion of this session you need to be able to:

1. Discuss scheduling in private practice
2. Discuss strategies for effective delivery of comprehensive care in timely manner
3. Discuss ethical issues identified during externship visits and potential issues entry level new grads may face when transitioning into practice
4. Discuss the challenges of the fee guide and dental insurance on the delivery of comprehensive dental hygiene care
5. Analyze electronic software options for dental practice management including digital charting

Session 25, 26, 28: Major project preparation for presentations

Upon completion of this session you need to be able to:

1. Submit and present draft of major project presentation
2. Peer review and provide constructive feedback regarding presentation
3. Demonstrate professional conduct

Session 29: Documentation completion

Upon completion of this session you need to be able to:

1. Prepare charts for audit
2. Prepare all paperwork to submit for program completion

Session 30: Course/Program Completion.

Upon completion of this session you need to be able to:

1. Provide professional constructive feedback on the student experience in the DH program
2. Discuss transitions into practice

5. Bases of Student Assessment (Weighting)

1. Assignments
 - A) Final Paper (Due date April 24) 20%
 - B) Final Presentation (Thursday April 14) 25%
 - C) Class Projects 20%
 - a. Herbal Remedies (research/present in class) 5%
 - b. Special Needs (table most important info for class) 5%
 - c. Joint Project with CDA students 10%

2. Exams
 - A) Term exam 35%

Note: Students must receive 70% in both the assignment and examination portions of the overall class mark.

A. GRADING SYSTEMS <http://www.camosun.bc.ca/policies/policies.php>

The following two grading systems are used at Camosun College:

1. Standard Grading System (GPA)

Percentage	Grade	Description	Grade Point Equivalency
90-100	A+		9
85-89	A		8
80-84	A-		7
77-79	B+		6
73-76	B		5
70-72	B-	PASSING GRADE	4
65-69	C+	Minimum level has not been achieved.	3
60-64	C		2
50-59	D		1
0-49	F		0

2. Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy at <http://www.camosun.bc.ca/policies/E-1.5.pdf> for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress:</i> A temporary grade assigned for courses that are designed to have an anticipated enrollment that extends beyond one term. No more than two IP grades will be assigned for the same course.

CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.
----	---

7. Recommended Materials or Services to Assist Students to Succeed Throughout the Course

LEARNING SUPPORT AND SERVICES FOR STUDENTS

There are a variety of services available for students to assist them throughout their learning. This information is available in the College Calendar, Student Services or the College web site at <http://www.camosun.bc.ca>

STUDENT CONDUCT POLICY

There is a Student Conduct Policy. It is the student's responsibility to become familiar with the content of this policy. The policy is available in each School Administration Office, Registration, and on the College web site in the Policy Section.
<http://www.camosun.bc.ca/policies/E-2.5.pdf>
