

CAMOSUN COLLEGE School of Health & Human Services Department of Community, Family & Child Studies

ELC 150 Health, Safety and Nutrition Fall 2012

COURSE OUTLINE

Description

This course examines the health, safety and nutritional needs of children within their families and communities. Emphasis is placed on the role and responsibilities of the educator in establishing and maintaining safe, nurturing environments for children in cooperation with families. Students learn how to create effective health, safety and nutrition curriculum policies.

 Ω Please note: This outline will not be kept indefinitely. It is recommended students keep this outline for their records, especially to assist in transfer credit to post-secondary institutions.

2. Intended Learning Outcomes

- 1. Explain diverse attitudes, knowledge and cultural variations related to health, safety and nutrition. Explore personal attitudes, knowledge and cultural variations in regards to regulated standards.
- 2. Identify the role of the practitioner in maintaining healthy and safe environments.

 Provide examples of communicating health, safety and nutritional information with respect to the primary role of the family.
- 3. Apply principles of health and wellness promotion to personal and professional practice, through policies, procedures and curriculum.

3. Required Materials

(a) Texts;

<u>Healthy Foundations In Early Childhood Settings</u>, 4th edition. Barbara Pimento and Deborah Kernested, 2010, Nelson.

4. Course Content and Schedule

LEARNING EXPERIENCES/RESOURCES

- Lectures and classroom discussions
- Small group activities and presentations
- Workshops and speakers
- Readings
- Videos

5. Basis of Student Assessment (Weighting)

(a) Assignments, Quizzes, Exams

*	Reading—leading discussions and weekly reactions	20%
*	Personal wellness plan and feedback	25%
*	Books and activities for wellness	15%
*	Policies and procedures assignment	25%
*	Participation	<u>15%</u>
		100%

A detailed explanation of assignments, due dates and percentage value of your final grade will be handed out and discussed in class.

NOTE:

All assignments are **due at the beginning of the class on the dates** specified <u>unless</u> <u>arrangements are made with the instructor at least 24 hours in advance</u>. Late assignments may result in a loss of marks at the discretion of the instructor.

Students who are absent for a class quiz must make arrangements with the instructor for a make-up quiz within **1** week of missing the test. Failure to make up the missed quiz or assignment results in a '0' mark.

ATTENDANCE

Due to the short and intense nature of the ELC program, classes are planned as a continuum for building the skill and knowledge required. Classroom experiences and participation are a major part of that competency development; therefore, consistent attendance is expected. Students are required to contact the instructor in advance if they are unable to attend class. Students who miss class are responsible for the material and assignments covered in class. Repeated absence from class can affect a final grade.

More than three missed classes could result in an F grade. Students who miss three classes will be required to meet with the classroom instructor.

EVALUATION

<u>NOTE</u>: Students must complete all assignments to be eligible for a grade. Students who withdraw by the posted withdrawal date will be not penalized.

Withdrawal or incompletion of work after the posted withdrawal date will result in an "F" grade being assigned.

This course must be passed with a 'C+' (65%) average to continue in the ELC Program.

Grading Systen

(If any changes are made to this part, then the Approved Course description must also be changed and sent through the approval process.)
