(b) **Quizzes** – last day of class, TBA

(c) **Exams** – not applicable

(d) **Attendance:** Due to the short and intense nature of the ELC program, classes are planned as a continuum for building the skill and knowledge required. Classroom experiences and participation are a major part of that competency development; therefore, consistent attendance is expected. Students are required to contact the instructor in advance if they are unable to attend class. Students who miss class are responsible for the material and assignments covered in class. Repeated absence from class can affect a final grade.
