5. Basis of Student Assessment (Weighting)

A detailed explanation of assignments will be handed out in a separate document, and discussed in class.

Assignment Policy

Assignments are expected on the due date. Extensions must be negotiated with your instructor prior to due dates. Late assignments submitted in the last week of term will not have the opportunity for rewrites. Assignments will not be accepted after the last day of term, unless an extension has been granted prior to the due date. Assignments not received by this time will receive a zero grade.

This course must be passed with a 'C+' (65%) average for a passing grade in the ELC Diploma Program.

Late Policy

All assignments are to be submitted by 12 midnight to D2L or in class on designated due dates. In exceptional circumstances, students may arrange with the instructor for an extension of an assignment at least 24 hours before the due date. Marks will be deducted (3% per day) for assignments/project if prior arrangements have not been made with the instructor.

Last day to withdraw from courses without a failing grade is **November 6, 2019**. If you withdraw by the posted withdrawal date, you will not be penalized.

Attendance

Students are required to attend all scheduled classes unless they have a legitimate medical reason.

Students are requested to notify their Instructor of any absences. Students who miss class are responsible for the material and assignments covered in class. Repeated absence from class can affect a final grade.

Due to the short and intense nature of the ELC program, classes are planned as a continuum for building the skill and knowledge required. Classroom experiences and participation are a major part of that competency development; therefore, consistent attendance is expected.

Academic Honesty

The Department of Community, Family & Child Studies is committed to promoting competence, professionalism and integrity in our students and developing their core skills to succeed throughout their academic programs and in their careers. The purpose of the Academic Honesty Guidelines is to provide clear expectations of appropriate academic conduct and to establish processes for discipline in appropriate circumstances. It is the student's responsibility to become familiar with the content and the consequences of academic dishonesty. Before you begin your assignments, review the Academic Policies on the Camosun College website: <http://camosun.ca/learn/becoming/policies.html>
