STUDENT EVALUATION

Assignment Expectations:

- Please submit all assignments on the due date.

2. Submission after the due date will result in a loss of 5% of the assignment marks per day.
3. To request an extension for an assignment, contact me at least 24 hours ahead of the due date, provide an explanation/rationale for requesting an extension and negotiate a revised due date. Extensions are not granted on the due date. Request for an extension will be granted at my discretion.
4. Follow APA writing guidelines for all written work. This includes formatting, spelling, grammar, in-text citations, and references. Please remember to proofread for spelling and grammar to present a professional looking assignment.
5. It is the responsibility of each student to save a copy of all assignments until a grade is received.
6. You will need to complete work in all areas to be eligible for a final grade for the semester. Assignments will not be accepted after the last day of class at the end of term unless an extension has been granted prior to the due date. Assignments not received by this time will receive a zero grade.
7. Last day to withdraw from courses without a failing grade is July 6. If you withdraw by the posted withdrawal date, you will not be penalized. Withdrawal or incompleteness of work after the posted withdrawal date will result in an 'F' grade being assigned.

NOTE: It is the responsibility of the student to understand assignments and assignment expectations before submitting by the due date. Should students receive a mark of less than 50% on an assignment, they may request to rewrite and resubmit the assignment.

Permission to resubmit an assignment is at the discretion of the instructor, rewritten assignments can receive a maximum grade of C+ (65%). This course must be passed with a 'C+' (65%) average to continue in the ELC Program.

Attendance

Students are required to attend all scheduled classes unless they have a legitimate medical reason. Students are requested to notify their Instructor of any absences. Students who miss class are responsible for the material and assignments covered in class. Repeated absence from class will affect a final grade.

Due to the short and intense nature of the ELC program, classes are planned as a continuum for building the skill and knowledge required. Classroom experiences and participation are a major part of that competency development; therefore, consistent attendance is expected.

Test and Examination Procedures

There are policies regarding written test and examination procedures including late arrivals and missed tests. Please see the Health and Human Services Student Handbook item 5.4 for Test and Examination Procedures at <http://camosun.ca/learn/school/health-human-services/studentinfo/index.html>

Written Assignments

Assignments are due before 2400 hours (midnight) on the assigned day unless otherwise specified. Assignments about patients, residents or clients must be completed using the individual's initials only. Unless otherwise directed by individual course outlines, assignments must be: word processed, double spaced, font meeting APA 7th edition guidelines, with a title page and a reference list. Students requiring an extension for the due date of an assignment must negotiate with the instructor, at least 48 hours before the due date. Assignments submitted late without an approved extension will result in a 5% deduction in mark for each day late.

CLASS GUIDELINES & EXPECTATIONS

In alignment with the BC Early Learning Framework, we see the classroom as a space for co-constructing knowledge (2019, p. 100). As such, your knowledge and experiences will be valued and respected. We will begin the term by establishing community agreements to establish a safe space, and a brave space. Each of us is responsible for upholding these community agreements as a component of professionalism.

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.
