2. Course Description & Intended Learning Outcomes

Students will explore the role of the educator in creating healthy, sustainable programs and community. The vital connection between learning, holistic health and the environment is emphasized. Cultural, social and familial expectations related to health, safety, nutrition and wellness are discussed within the context of self, the child care setting, and the community. Indigenous world views and approaches are included as well as the impact of on-going colonization and the skills of reconciliation.

Upon successful completion of this course, students will be able to:

- a) explain diverse attitudes, knowledge and cultural approaches related to holistic health and wellness.
- b) describe the role and responsibility of the educator in supporting and creating, with family, healthy environments for children.

- c) apply indigenous principles of holistic health and environmental sustainability and the impact of ongoing colonization, including the skills of reconciliation to personal and professional practice.
- d) create strength-based and meaningful policy and procedures that are respectful of the diversity of children and families.

All additional required readings, online articles, links, audio and video clips will be listed weekly and available online via Desire2Learn (D2L)

4. Course Content and Schedule

Weekly course content and a detailed schedule will be handed out in class.

5. Basis of Student Assessment (Weighting)

A detailed description of assignments including the percentages and the due dates will be handed out and discussed in class.

Assignment Policy

- Please submit your assignments on the due date.
- Submission of assignments after their due date will result in a loss of 3% of the assignment marks per day
- Extensions: A request for an extension for any assignment is granted at the instructor's discretion. To request an extension for an assignment, please contact me at least 24 hours prior to the due date and provide an explanation/rationale for requesting an extension. If granted, a revised due date will be negotiated.
- You will need to complete all assignments to be eligible for a final grade for the semester.
- Assignments will not be accepted after the last day of class at the end of term unless an extension has been granted prior to the due date.
- Last day to withdraw from courses without a failing grade is July 10. If you withdraw by the posted withdrawal date, you will not be penalized. Withdrawal or incompleteness of work after the posted withdrawal date will result in an 'F' grade being assigned.

NOTE: It is the responsibility of the student to understand the purpose of the assignments before submitting by the due date. Should students receive a mark of less than 50% on an assignment, they may request to rewrite and resubmit the assignment. Permission to resubmit an assignment is at the discretion of the instructor, rewritten assignments can receive a maximum grade of C+ (65%).

NOTE: Students must complete all assignments to be eligible for a grade.

ELC Program requires a C+ (65%) in all courses.

Attendance

Due to the short and intense nature of the ELC program, classes are planned as a continuum for building the skill and knowledge required. Classroom experiences and participation are a major part of that competency development; therefore, consistent attendance is expected.

Students are required to contact the instructor in advance if they are unable to attend class. Students who miss class are responsible for the material and assignments covered in class. Repeated absence from class can affect a final grade.

Test and Examination Procedures

There are policies regarding written test and examination procedures including late arrivals and missed tests. Please see the Health and Human Services Student Handbook item 5.4 for Test and

Examination Procedures at <http://camosun.ca/learn/school/health-human-services/student-info/index.html>

Written Assignments

Assignments are due before 2400 hours (midnight) on the assigned day unless otherwise specified. Assignments about patients, residents or clients must be completed using the individual's initials only. Unless otherwise directed by individual course outlines, assignments must be: word processed, double spaced, font meeting APA 7th edition guidelines, with a title page and a reference list. Students requiring an extension for the due date of an assignment must negotiate with the instructor, at least 48 hours before the due date. Assignments submitted late without an approved extension will result in a 5% deduction in mark for each day late.

6. Grading System

- Standard Grading System (GPA)
- Competency Based Grading System
