## ELC 221 Designing Dynamic Environments Winter 2021

### COURSE OUTLINE

---

The course description is available on the web:  
<http://camosun.ca/learn/calendar/current/web/elc.html#elc221>

Camosun College will continue to follow the guidance of the Provincial Health Officer, the B.C. Government and WorkSafeBC, and as such may revise the delivery of courses. Courses with an approved face-to-face component may need to move to online or remote delivery if necessary.

The COVID-19 pandemic has presented many challenges, and Camosun College is committed to helping you safely complete your education. Following guidelines from the Provincial Health Officer, WorkSafe BC and the B.C. Government to ensure the health and wellbeing of students and employees Camosun College is providing you with every possible protection to keep you safe including COVID Training for students and employees, health checks, infection control protocols including sanitization of spaces, PPE and ensuring physical distancing. Please refer to: <http://camosun.ca/covid19/faq/covid-faqs-students.html>  
However, if you're at all uncomfortable being on campus, please share your concerns with your Instructor and if needed, alternatives will be discussed.

*Ω Please note: This outline will not be kept indefinitely. It is recommended students keep this outline for their records, especially to assist in transfer credit to post-secondary institutions.*

#### 2. Course Description & Intended Learning Outcomes

Students deeply examine the importance of environments that are inclusive and responsive to diverse children, families and community. Students will practice planning learning environments for the individual child and for groups of children with emphasis on indigenous connection to the land, the impact of on-going colonization and the skills of reconciliation.

Upon successful completion of this course a student will be able to:

- a) analyze and design indoor/outdoor inclusive early childhood environments that support diverse children, families, and community.
- b) develop natural learning environments and experiences that incorporate a connection to the land and reflect an understanding of the impact of colonization and the skills of reconciliation.
- c) implement layered opportunities to extend and evaluate specific materials and learning experiences that support children's intentions, learning and growth.
