COURSE SCHEDULE, TOPICS, AND ASSOCIATED PREPARATION / ACTIVITY / EVALUATION

The following schedule and course components are subject to change with reasonable advance notice, as deemed appropriate by the instructor.

Students are required to attend all practicum sessions in the field and all classroom seminars unless they have a legitimate medical reason.

Practicum: Students must notify both the Mentor and Instructor prior to any absences. If you are suddenly too sick to attend practicum, both the centre and your instructor must be contacted that morning. All missed hours will need to be made up, students must connect with the College instructor within one week of absences to make a plan for make-up hours. If you require exceptions to this, it is important to discuss this prior with your instructors. Missing more than 4 practicum days due will result in a no credit. In case of a serious illness, a student will be able to apply for a medical withdraw.

Seminar Class: Students are requested to notify their seminar instructor of any absences. If a seminar is missed students are required to complete a "missed seminar" assignment and hand it in within four calendar days of the missed class.

Students registered with the Centre for Accessible Learning (CAL) who complete quizzes, tests, and exams with academic accommodations have booking procedures and deadlines with CAL where advanced noticed is required. Deadlines can be reviewed on the [CAL exams page](http://camosun.ca/services/accessible-learning/exams.html). <http://camosun.ca/services/accessible-learning/exams.html>

STUDENT EVALUATION

Assignments and Evaluation

Students will be evaluated primarily on the basis of their performance in the practicum setting. Evaluation will be based on performance, not potential; the mentor in the field will be aware that this is a process with consistent competency as the final goal. Students will receive help and suggestions and be encouraged to consider their own performance, both in discussions with the field placement mentor and in weekly Practicum seminars. The Camosun College instructors will schedule visits to the facility and be available for discussions. Working well in your placement setting is the most important indicator of suitability for this field.

All assignments must be completed before a grade will be assigned. All practicum outcomes must be demonstrated at a C+ level or higher, and each assignment must be completed by the due date at a C+ level or higher to be considered "complete". Assignments may be sent back if they are not a C+ level or better.

Assignments are expected on the due date. Extensions must be negotiated with your instructor prior to due dates. Opportunity to rewrite assignments supports articulation of ELC knowledge, skills and attitudes. Late assignments submitted in the last week of term will not have the opportunity for rewrites.

The Camosun instructor makes the final decision whether a student has been successful with their practicum experience. Final grading is either a "COM" for Completed or "NC" for Not Completed.

Test and Examination Procedures

There are policies regarding written test and examination procedures including late arrivals and missed tests. Please see the Health and Human Services Student Handbook item 5.4 for Test and Examination Procedures at <http://camosun.ca/learn/school/health-human-services/studentinfo/index.html>

Written Assignments

Assignments are due before 2400 hours (midnight) on the assigned day unless otherwise specified. Assignments about patients, residents or clients must be completed using the individual's initials only. Unless otherwise directed by individual course outlines, assignments must be: word processed, double spaced, font meeting APA 7th edition guidelines, with a title page and a reference list. Students requiring an extension for the due date of an assignment must negotiate with the instructor, at least 48 hours before the due date. Assignments submitted late without an approved extension will result in a 5% deduction in mark for each day late.

If you have a concern about a grade you have received for an evaluation, please come and see me as soon as possible. Refer to the [Grade Review and Appeals](http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.14.pdf) policy for more information.
