## COURSE GUIDELINES & EXPECTATIONS

---

### Late Policy:

Students are expected to hand in all work on time so they can get timely feedback to improve their practice. Students may not be permitted to return to their practicum site if their weekly Reflective Logbook entry is not submitted on time. Late submissions are of concern as they can reflect lack of readiness to assume the professional role of a mental health worker. If exceptional circumstances arise that impact your ability to hand in your work on time, you must let your instructor know. Late entries without prior instructor approval will place the student at risk of having their practicum terminated. In fairness to all students, assignments submitted late will be deducted 5% per day.

### Attendance:

Due to the intense nature of this Practicum course, students are required to attend **all** practicum shifts in the field, meetings with mentors/instructors, and all seminar and group supervision sessions. In an exceptional circumstance, any absence from group seminar an in-lieu learning activity will be required. Absences at site beyond one shift will be required to be made up as arranged by the Agency Mentor and the College

Instructor. Students required to make up missed days will do so at the end of the practicum period if the Agency agrees.
