As your course instructor, I endeavour to provide an inclusive learning environment. However, if you experience barriers to learning in this course, do not hesitate to discuss them with me. Camosun College is committed to identifying and removing institutional and social barriers that prevent access and impede success.

CALENDAR DESCRIPTION

In this advanced beginner course, students examine their future role and responsibilities as advanced beginner student radiographers in the clinical learning environment. Students enhance their teamwork, communication, and critical thinking skills by analyzing a variety of clinical case scenarios. Emphasis is on solving problems in challenging situations commonly encountered by Medical Radiation Technologists. Students also review the scope of practice and professional expectations for an advanced beginner in Clinical Practicum 2.

Note: Only open to students in the Medical Radiography program.
