

School of Health & Human Services
International Pathway to Practical Nursing

Summer 2018

Course Name: Experiential Learning in Practical Nursing
(24 hrs)

Course Number: PNUR 105

COURSE OUTLINE

Course Description:

This course is designed to provide opportunities for IPPN students to integrate and apply theoretical concepts in a supportive learning environment. Through the use of active learning principles the students will be assisted to make connections, link concepts and build on new knowledge in preparation for the practical nursing program. Facilitated by faculty, these sessions will include weekly review and peer discussion of key concepts, supportive study strategies as well as opportunities to study and interact with other students.

Instructor Information

Instructor Mercedes Schmidt

Office hours By appointment

Location WT210

Contact: (250) 370-3112, SchmidtM@camosun.ca

Intended Learning Outcomes

Upon the completion of this course the learner will be able to:

- Describe the value and purpose of active learning in practical nursing education.
- Participate in active learning exercises such as reflective writing, debates, and case study analysis to reinforce key program concepts.
- Identify own strengths and strategies for improvement related to their participation in learning activities in the nursing education environment.

Required Materials

A detailed list of course readings will be provided by the instructor at the onset of the course.

Course Content and Schedule

See Term Schedule for specific dates and times
