COURSE OUTLINE

Please note: This outline will not be kept indefinitely. It is recommended students keep this outline for their records, especially to assist in transfer credit to post-secondary institutions.

Course Description:

This introductory course will increase the learners understanding of health promotion within the Canadian context. This includes health enhancement, health protection, disease prevention, health restoration/recovery, care and support. Knowledge of growth and development, health inequities and determinants of health will support the Practical Nurse to provide culturally appropriate and holistic care.

Pre-requisites: Admission to the Practical Nursing Program

Co-requisites: Professional Practice 1; Variations in Health 1; Professional Communication 1; Pharmacology 1; Integrated Nursing Practice 1

Instructor Information:

(a)	Instructor:	Suzy Knipfel
(b)	Office Hours:	By appointment
(c)	Location:	WT210
(d)	Phone:	(250) 370-3241
(e)	Email:	Knipfels@camosun.bc.ca

Intended Learning Outcomes:

Upon successful completion of this course, the learner will:

1. Explain definitions and concepts related to health promotion.
2. Identify and explain epidemiology related to health promotion.
3. Explain the difference between primary, secondary, and tertiary prevention.

4. Provide examples that explain the difference between health promotion and disease prevention.
5. Discuss the major components of Canada's health care system.
6. Explain how the determinants of health impact individual health and wellness.
7. Identify health disparities between Aboriginal people and non-Aboriginal people in Canada.
8. Identify the determinants of health of Aboriginal populations.
9. Define cultural competence in health promotion.
10. Explain the principles of chronic disease management.
11. Describe teaching and learning principles for health promotion across the lifespan.
12. Describe the steps of communicable disease reporting.
13. Describe common normal growth and development theories across the lifespan.
14. Explain the concept of harm reduction.

Required Materials:

Potter, P. A., Perry, A. G., Stocker, P. A., Hall, A. M (2019). *Canadian fundamentals of nursing* (6th Ed.). Toronto, ON: Elsevier Canada

*Additional course readings may be provided by the instructor at the onset of the course.

Course Content and Schedule:

Please see Semester Calendar for specific date

Assignment/Grading	Details
Determinants of Health Assignment 35%	
Midterm Exam 30%	Includes content from classes 1-5
Final Exam 35%	Comprehensive final exam covering all course content

Students must achieve a minimum of 65% to pass Health Promotion 1

Grading System

Additional information regarding grading policies at Camosun College can be found at <http://www.camosun.bc.ca/policies/policies.php>

Standard Grading System (GPA)

Percentage	Grade	Description	Grade Point Equivalency
90-100	A+		9
85-89	A		8
80-84	A-		7
77-79	B+		6
73-76	B		5
70-72	B-		4
65-69	C+		3
60-64	C		2
50-59	D		1
0-49	F	Minimum level has not been achieved.	0

LEARNING SUPPORT AND SERVICES FOR STUDENTS

There are a variety of services available for students to assist them throughout their learning. This information is available in the College Calendar, Student Services or the College web site at

<http://www.camosun.bc.ca>

STUDENT CONDUCT POLICY

There is a Student Conduct Policy. It is the student's responsibility to become familiar with the content of this policy. The policy is available in each School Administration Office, Registration, and on the College web site in the Policy section at <http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.5.pdf>

TEST AND EXAMINATION PROCEDURES

There are policies regarding written test and examination procedures including late arrivals and missed tests. Please see the Health and Human Services Student Manual for Test and Examination Procedures at <http://camosun.ca/learn/school/health-human-services/documents/HHS-Student-Handbook.pdf>

WRITTEN ASSIGNMENTS

Assignments are due before 2400 hours (midnight) on the assigned day unless otherwise specified. Assignments about patients, residents or clients must be completed using the individual's initials only. Unless otherwise directed by individual course outlines, assignments must be: word processed, double spaced, 12 font, Times New Roman font, with a title page and a reference list.

Students requiring an extension for the due date of an assignment must negotiate with the instructor, at least 48 hours before the due date. Assignments submitted late without an approved extension will result in a 5% deduction in mark for each day late.
