**COURSE OUTLINE**

---

**The course description is available on the web:**  
**<http://camosun.ca/learn/calendar/current/web/pnur.html#pnur134>**

Camosun College will continue to follow the guidance of the Provincial Health Officer, the B.C. Government and WorkSafeBC, and as such may revise the delivery of courses. Courses with an approved face-to-face component may need to move to online or remote delivery if necessary.

The COVID-19 pandemic has presented many challenges, and Camosun College is committed to helping you safely complete your education. Following guidelines from the Provincial Health Officer, WorkSafeBC and the BC Government to ensure the health and wellbeing of students and employees, Camosun College is providing you with every possible protection to keep you safe including COVID Training for students and employees, health checks, infection control protocols including sanitization of spaces, PPE and ensuring physical distancing. Please refer to: <http://camosun.ca/covid19/faq/covid-faqs-students.html>

However, if you're at all uncomfortable being on campus, please share your concerns with your Instructor and if needed, alternatives will be discussed.

*Ω Please note: This outline will not be kept indefinitely. It is recommended students keep this outline for their records, especially to assist in transfer credit to post-secondary institutions.*

## **2. Course Description & Intended Learning Outcomes**

This course integrates the concepts from previous professional practice courses and introduces learners to practice in the community. The role of the Practical Nurse as leader is emphasized in interactions with clients and their families, and other health care providers.

Upon successful completion of this course a student will be able to:

- a) compare and contrast how legislation, professional standards, code of ethics and practice expectations influences the continuum of care in community mental health care services.
- b) identify and explain professional self-regulation and the implication for individual responsibilities and accountability of the Practical Nurse in the continuum of care.
- c) explain and evaluate the influence of collaborative and inter-professional relationships on a quality practice environment.
- d) consider the roles of other health care providers in determining one's own professional and interprofessional roles.
- e) demonstrate the ability to access and assess current, relevant professional practice resources to prepare for nursing practice in community settings.
- f) explain the professional and legal responsibility of respecting cultural safety, diversity, and inclusivity in the community setting.
- g) apply and evaluate an ethical decision making process to ethical dilemmas in nursing practice of clients from across the lifespan in community settings.
- h) demonstrate self-reflection and reflective journal writing to enhance learning and nursing practice.
- i) explain the importance of self-care strategies for nurses.
