****IN THE LAB – Students are responsible for sanitizing their workspace prior to AND after the class. Lab cleanup begins 15 minutes before the end of the class. Cleaning provisions will be supplied by Camosun where necessary.***

****A portion of your mark will be based on your respect for the college equipment, the cleanliness of your workstation, your participation in the cleaning crew and the cleanliness of the floor around your work station.***

Attendance is mandatory for all classroom/lab activities. It is the student's responsibility to inform the instructor prior to being late or missing a class, or as soon as possible.

Professionalism: "the skill, good judgment, and polite behavior that is expected from a person who is trained to do a job well" (Merriam Webster online). Students will be evaluated on the above as well as their ability to work well in a team.

Assignments and/or Quiz are based on the lecture topics and hands on lab exercises.
Please note the following:

1. A grade of 60% or better is required in all assessment items above to pass the course or to use this course to qualify as a prerequisite.
2. No late materials will be accepted past midnight of the last day of the course.
3. No opportunity will be available to write missed quizzes.
4. All late course material is reduced in mark by 50% and then an additional 10% per day

6. Grading System

- Standard Grading System (GPA)
- Competency Based Grading System

DST	The student has met and exceeded, above and beyond expectation, the goals, criteria, or competencies established for this course, practicum or field placement.
NC	The student has not met the goals, criteria or competencies established for this course, practicum or field placement.

B. Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy at <http://www.camosun.bc.ca/policies/E-1.5.pdf> for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
