CALENDAR DESCRIPTION

Academic Calendar: Course Description

COURSE LEARNING OUTCOMES / OBJECTIVES

Upon successful completion of this course, a student will be able to:

- Solve abstract problems using software design methodology;
- Design an algorithm to solve a problem using problem decomposition and step-wise refinement;
- Trace the execution of object-oriented code to validate its correctness;
- Apply and explain object-oriented techniques including the creation of objects, application of inheritance, information hiding, encapsulation, scope and pass-by-value and pass-by-reference;
- Design, implement, test and debug simple programs in an object-orientated language using appropriate arithmetic and logical operations, conditions and iterative control structures, and data types;
- Apply problem-solving skills and provide a foundation for advanced programming courses;
- Use written, oral, and electronic communication to convey technical information effectively; and
- Apply accepted standards to ensure security, privacy, and integrity of data while recognizing the ethical, legal and social implications of computing.

EVALUATION OF LEARNING

If you have a concern about a grade you have received for an evaluation, please see me as soon as possible. Refer to the <u>Grade Review and Appeals</u> policy for more information. http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.14.pdf

ITEM	Weight (%)	Details
zyBook**	10	Students are expected to work on the zyBook activities on their own time, however, some class/lab time may be devoted to zyBook activities. Sections labelled as "Optional" do not contribute to this mark. Please note that most "Optional" sections will become mandatory as the course proceeds. You are welcome to work ahead and complete the "Optional Sections" if you wish. See the welcome note in the zyBook for more details.
Labs/Assignments***	20	Students are expected to complete lab exercises during their assigned, in-person, lab times. Assignments will require work to be done outside of lab times.
Quizzes*	25	Unannounced quizzes will be held during labs or lectures. The lowest quiz mark will be dropped. There are no makeup quizzes. Quizzes that are not written will receive a mark of 0. (Since the lowest quiz mark is dropped, students are able to miss one quiz without penalty.)
Terminology Record	5	Each student will create their own reference document for the terminology used in the course. This will help you with your studying and serve as a reference for the future.
Final Exam*	40	The final exam is scheduled by Camosun College. Be sure to check the date before making travel arrangements.

COURSE GUIDELINES & EXPECTATIONS

- 1. *A weighted average of at least 55% must be achieved on the quizzes and final exam to pass the course.
- 2. *A weighted average of at least 65% must be achieved on the quizzes and final exam to continue in the ICS program.
- 3. **A mark of 85% must be achieved on the mandatory zyBook participation and challenge exercises to pass the course.
- 4. ***An average mark of 85% must be achieved on assignments to pass the course.
- 5. Late work is not accepted except in exceptional circumstances. Please contact me well before the due date if you anticipate a problem with meeting a deadline.

Course Advice:

- 1. Keep up to date with the zyBook and lecture materials daily. This will help you with the unannounced quizzes!
- 2. If you are having difficulties with the course, please contact your instructor sooner rather than later.
- 3. Programming is a skill. To become a good programmer you must practice, practice, practice every day.
- 4. Be sure you do your own work. This course utilizes automated and manual checking mechanisms for plagiarism. Please visit http://camosun.ca/about/policies/education-academic/e-1-programming-and-instruction/e-1.13.pdf for policy regarding academic expectations and details for addressing and resolving matters of academic misconduct.

Department Policies:

- **Grade review:** You have 7 days after marks are posted to review with your instructor.
- Academic Dishonesty:

1st violation: minus the weight of the deliverable and a note on your departmental file.

2nd violation: a grade of "F" in the course

3rd violation: Student Conduct Policy E-2.5 is applied

• Electronic Devices:

You may only use electronic devices during evaluations (quizzes, tests, exams, etc.) when explicitly allowed to do so. Using a cell phone or other unauthorized electronic device (eg ipad, laptop, playbook, etc.) during an evaluation is an academic offence that will automatically result a grade of "F" in the course.

STUDENT RESPONSIBILITY

Enrolment at Camosun assumes that the student will become a responsible member of the College community. As such, each student will display a positive work ethic, assist in the preservation of College property, and assume responsibility for their education by researching academic requirements and policies; demonstrating courtesy and respect toward others; and respecting expectations concerning attendance, assignments, deadlines, and appointments.

Sexual Violence and Misconduct

Camosun is committed to creating a campus culture of safety, respect, and consent. Camosun's Office of Student Support is responsible for offering support to students impacted by sexual violence. Regardless of when or where the sexual violence or misconduct occurred, students can access support at Camosun. The Office of Student Support will make sure students have a safe and private place to talk and will help them understand what supports are available and their options for next steps. The Office of Student Support respects a student's right to choose what is right for them. For more information see Camosun's Sexualized Violence and Misconduct Policy: http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.9.pdf and camosun.ca/sexual-violence. Student Misconduct (Non-Academic)

Camosun College is committed to building the academic competency of all students, seeks to empower students to become agents of their own learning, and promotes academic belonging for everyone. Camosun also expects that all students to conduct themselves in a manner that contributes to a positive, supportive, and safe learning environment. Please review Camosun College's Student Misconduct Policy at http://camosun.ca/about/policies/education-academic/e-2-student-services-and-support/e-2.5.pdf to understand the College's expectations of academic integrity and student behavioural conduct.
