- *Strange Case of Dr. Jekyll and Mr. Hyde* (Campus Bookstore)
- Please be advised of the possibility that supplemental and marginalia materials will be introduced; in such circumstances, students will be required to print out information to facilitate lectures and discussions.

#### COURSE GUIDELINES & EXPECTATIONS

---

##### Throughout the Term:

- A student should only stay registered if intending to attend class. It takes about four missed classes over the course of the term to have a **significantly negative** influence on a letter grade.
- In this classroom environment, all questions will be treated **with respect** both by me and by your fellow classmates. Each student has the required responsibility to promote **a positive, supportive, exploratory classroom learning environment**.

- Please be aware that any behavior that is rude, distracting, or disrespectful in any way to anyone in the class will not be tolerated. An offender will be subject to academic and other disciplinary consequences as proscribed in the Student Conduct Policy.
- If unsure of the expectations of student conduct, please see the Camosun College Calendar: <http://camosun.ca/about/policies/education-academic/e-2-student-services-&-support/e-2.5.pdf> .
- *Please note there is a zero-tolerance policy for any variations from the college requirements for classroom etiquette.*

#### COURSE GUIDELINES:

- An assignment, in-class or take-home, must be **submitted on the due date** and time **on which it is due**.
- Unless otherwise authorized, the *Academic Argument Assignment* handed in after the start of class is late.
- Except in exceptional circumstances or circumstances considered beyond personal control and which can be defined and communicated on a case-by-case basis in the unlikely event of this being necessary, an extension inquiry must be made at least one week in advance of the due date. **An extension will not be granted in the immediate days leading up to a due date.**
- A non-negotiable **10% penalty** will be assigned for each day or portion of each day late. Unless previously arranged, assignments are not accepted either after an assignment has been returned to the class (thereby making information not available to all other students available before subsequent assessment), or 72 hours (three days) after an assignment due date, whichever comes first.
- Assignments **may not** be submitted electronically; save a copy of the assignment.
- Assignments must be typed (**unless** an in-class Unit Quiz) and double-spaced (required for all assignments); proportional deductions will be recorded for noncompliance with format policies.
- There are **no rewrites**; there are **no additional assignments**; additional assignments will not be provided to augment a grade. **No exceptions will be made.**
- A poor attendance record is accurately reflected in assignment outcomes and will result in an automatic 0/5 for participation.
- Obtaining missed lecture information and handouts is the responsibility of the student. Information should be sought from other students in the class. **Information already covered in class will not be re-taught** due to voluntary absenteeism.
- Following a verbal warning, marks will be deducted for chronic lateness due in part to the unfair disruption this interruption and distraction causes to other students.

- A minimum of 80% attendance is required to perform adequately in the course.
- Neither cell phone nor computer use is needed nor permitted during class (unless indicated otherwise or with prior notification from CAL).
- **I cannot proofread and/or edit papers. The Camosun College Writing Centre is a useful and available resource open to all students.**
- Please be advised that, historically speaking, the average grade in my classes is a B-/B.

## Some Course Context

- The crossroads symbol is an *archetype* located in the individual and collective unconscious.
- As an object of contemplation, every crossroad symbol is both the same and different, individual and collective, depending on who is looking at it.
- This course will argue for the underlying presence of the crossroads symbol as the archetypal symbol of the human experience, of being and becoming.
- The texts in this course are intended as the means to facilitate the secret knowledge of the crossroads symbol.
- Encounters where different truths intersect and meet is one of the paths to secret knowledge.
- The central argument in the course description reads: "If alien anthropologists were tasked with returning to their home planet with the symbol of the human story, they would return with the symbol of the crossroads. Through an examination of this symbol in a variety of texts (most being

examples from popular culture), this course will prove the crossroads as the symbol of symbols, the symbol of being and becoming.”
